Effective Date: September 22, 2026

The Connecticut Lottery Corporation's ("CLC") participation in the Powerball Xs & Os National Promotions Program shall be governed by MUSL's Rules for the Powerball Xs & Os National Promotions Program ("National Rules") and this Connecticut Amendment ("CT Amendment") (collectively, the "Promotions Program Rules").

I. Applicability

- A. This CT Amendment is intended to supplement the National Rules, which are available at powerballofficial.com/rules. All terms not defined in the CT Amendment have the meaning ascribed to them in the National Rules.
- B. The CT Amendment, together with the National Rules and other Applicable Laws and Rules, as defined in Section VII(A) below, govern participation in all Powerball Xs & Os Promotions and Promotional Drawings offered through the Powerball® Official Website and/or the Powerball® Official App by any person who resides in Connecticut and any person who enters an Eligible Ticket sold by CLC or a CLC retailer into their Powerball Account, as defined in Section III(B) below.

II. Overview of the Powerball Xs & Os Promotions Program

The Powerball Xs & Os National Promotions Program is a promotional program wherein persons who qualify may register for an Account, enter Eligible Tickets to earn Points to participate in Powerball Xs & Os Promotions and Promotional Drawings offered by MUSL through the Powerball® Official Website and/or the Powerball® Official App.

III. Eligibility to Participate

- A. Participation is open only to a natural person who is at least 18 years of age or older, has purchased or otherwise lawfully obtained an Eligible Ticket, and meets all eligibility requirements described in the National Rules, the CT Amendment, and other Applicable Laws and Rules.
- B. A person must register for an Account on the Powerball® Official Website or the Powerball® Official App ("Powerball Account") and provide all information required by MUSL to complete a verified registration. By submitting the necessary information to register for a Powerball Account or to update an existing Powerball Account, a person consents to MUSL's use of any age-verification and identity-verification technology or method it deems appropriate. CLC and MUSL do not guarantee that MUSL's age-verification and identity-verification technology and methods will be able to locate records for and verify every person. A person will not be able to use their Powerball Account if their age and identity cannot be verified.

IV. Earning Points

- A. In order to earn Points for Powerball Xs & Os tickets purchased from a CLC retailer, a person must submit an Eligible Ticket into their Powerball Account via the Powerball® Official Website or Official Powerball® App in accordance with the National Rules. No mail-in submissions of Powerball Xs & Os tickets purchased from a CLC retailer will be accepted. Any Powerball Xs & Os tickets mailed or hand-delivered to CLC will not be entered into any Powerball Xs & Os Promotion or Promotional Drawing. CLC may, in its sole discretion, return any tickets improperly delivered to CLC to the original sender by mail.
- B. In order to earn Points for Powerball Xs & Os tickets purchased through a person's CT iLottery account ("iLottery Account"), a person must successfully register for a Powerball Account, and then complete all actions required to link their iLottery Account to their Powerball Account.
- C. Points for Eligible Tickets will be awarded by MUSL and displayed in a person's Powerball Account in accordance with the National Rules. CLC is not responsible for the electronic misdelivery, late delivery, or failure to receive ticket information entered electronically or transmitted through linked accounts, and the risk of loss remains with the person regardless of the cause of transmission failure.

V. Promotional Drawings

- A. The details of each Promotional Drawing, such as its entry period, prize information, and drawing date(s), will be defined and published by MUSL on the Powerball® Official Website® and/or the Powerball® Official App.
- B. A person may use their Points as Entries for Promotional Drawings in accordance with the National Rules and any Powerball Xs & Os Promotion-specific rules or requirements.
- C. MUSL will hold Promotional Drawings at such date, time, place, and in such manner as determined by MUSL.
- D. The odds of winning a prize in a Promotional Drawing depend upon the number of eligible Entries received for that Promotional Drawing.
- E. MUSL's decisions as to the administration and operation of Promotional Drawings and the selection of winners are final and binding.

VI. Winner Eligibility, Notification & Verification

- A. Winners will be notified using the contact information in their Powerball Account.
- B. Winners of prizes with a value of \$499 or less will be contacted by MUSL or its designee with instructions for claiming their prize.

- C. In accordance with the procedure described in the “Debt Offsets, Taxes, and Claims Process” section of the National Rules, winners of prizes with a value of \$500 or greater will be contacted by CLC with instructions for claiming their prize. Winners of prizes of \$500 or greater must submit to CLC a completed eligibility form, acceptable proof of age, liability and publicity releases, and any other forms required by MUSL or CLC (“Claim Documents”) within the time period identified by CLC in the claim instructions (“CLC Claim Period”) in order to claim their prize. Incomplete or invalid Claim Documents will not be accepted. Failure to comply with the Promotions Program Rules, any other Applicable Laws and Rules, and all claim instructions within the CLC Claim Period will result in disqualification.
- D. No prize with a value of \$500 or greater will be awarded to a person who owes any debt: to CLC; to the State of Connecticut that is collected through CLC; or to a third party that is collected by the State of Connecticut through CLC. CLC will allow the winner an opportunity to satisfy any such debt and provide proof, in CLC’s sole discretion, that the debt has been fully satisfied. Failure to provide acceptable proof of satisfaction of the debt within the CLC Claim Period will result in disqualification.
- E. Prizes will be fulfilled by MUSL or its designee after the winner’s eligibility has been verified.
- F. Unless otherwise stated, each winner, upon claiming a prize, is responsible for all federal, state, and local taxes associated with the prize(s) won. If CLC pays applicable federal and/or state income tax withholdings on the retail value of a prize on behalf of a winner, the winner remains solely responsible for any additional taxes or fees that may result from claiming such a prize. CLC will report winnings, withhold federal and state taxes, and provide W-2Gs to winners in accordance with federal and state laws and regulations.
- G. All prizes and their individual components are subject to the terms, conditions, rules, regulations, and policies of the individual provider or issuer of such components. CLC makes no, and expressly disclaims any, express or implied warranties of any kind with respect to any prize or its individual components.
